

Letter from the Board of Directors

Greetings from your Board of Directors

Please show your continuing support by voting in person at the Annual Meeting on October 21 at 1:00 p.m. at the Cable Community Center, or by submitting the enclosed proxy ballot. There are five candidates for three positions; your vote is needed to confirm the election process. Please send the completed ballot to TIOA, Attn: Proxy Vote, PO Box 609, Cable, WI, 54821. It must be postmarked by October 11, 2017!

We thank you for your continuing support.

—TIOA Board of Directors

The following 5 individuals are running for the three open positions. Please review their applications and vote for THREE of the candidates.

Susan Wiik

Occupation: Retired Secondary Language Arts Teacher

Education: B.S. Secondary Education; B.A. English; M.A. Curriculum and Instruction

Experience: I have served on the Telemark Board of Directors since 2007. I have been very active in all Telemark annual meetings since we became owners in

1989. I also have significant experience in leadership positions in my former education profession.

I think I would be an asset to the Board of Directors because: I am very knowledgeable about the history of the TIOA, and Telemark Resort. I also bring needed diversity to the TIOA board and I can offer a comprehensive view of the needs of the owners.

Michael R. Berge

Occupation: Innovation Manager

Education: Bachelor of Fine Arts Degree UW-Stout

Experience: I am the manager of the industrial design and consumer solutions/innovations departments at National Presto Industries Inc. - 12 years. I held a seat in my church council for 2 years.

Outside activities: I enjoy downhill and skate skiing, fishing, mountain biking, hiking, and canoeing, among others.

I think I would be an asset to the Board of Directors because: I have been coming to Telemark for the past 29 years. My first year at Telemark, at the age of eight, I learned to downhill ski on "JB", and now my wife and I hike to the top of the ski hill with

our two kids every time we visit. Telemark is my second home. I've watched it thrive and seen it fall but my family and I keep coming back because of everything the northwoods has to offer.

In addition to the history I share with Telemark, my experience as a designer, problem solver, and innovator throughout my professional career would be a great asset to TIOA. Each day I work with people in different departments at National Presto Industries trying to solve problems and make better products. This experience has taught me invaluable lessons that are routinely applied in my everyday life. If selected, the Board of Directors would benefit from a young, energetic, and creative voice.

Shirley Baillie

Occupation: Retired manager

Education: WITC Cosmetology, Graduate of North Western High School

Experience: With all of my customer service through out the years and experience with Telemark I feel I would be a positive board member. I am looking towards keeping and help making positive decisions to further our TIOA.

Outside activities: Skiing, snowmobiling, fishing, kayaking, lake activities, travel, family, pool.

I think I would be an asset to the Board of Directors

because: I own and already have served on the board and I would like to see our investments of the TIOA prosper. I love Telemark and have been coming since 1971.

Keith H. Wilkinson

Occupation: Global IT Director; Cybersecurity, Infrastructure and Operations

Education: B.S. - Western Illinois University. Law Enforcement Administration, 1980

Experience: Multiple executive IT leadership positions within the legal, academia and medical industries. Responsibilities include optimization of multimillion dollar IT budgets, direct management of global professional resources spread across various cultures and countries and the management, strategy and execution of IT infrastructure and the security posture for the organization.

Outside activities: Volunteer activities include Meals on Wheels, Girls Softball Coach, trail maintenance on local and CAMBA trails and Animal Advocate for multiple local pet rescue organizations. Personal activities include cycling (road and mountain), sailing and kayaking.

I think I would be an asset to the Board of Directors

because: My desire is to play an active role within the growth and development of the association. I feel that like most things

in life, you get out of it what you put into it. In order for this community to thrive and grow, it must have an active participation amongst the owners. Being a board member means being a volunteer who represents the entire association. As a visitor of the Cable area since the late 1970's, my experiences cycling, kayaking, skiing and other area activities can also be used to help grow the owner and customer base of the association.

My current and prior work responsibilities have included supervisory roles, operations management, project management, team leadership and business development. My experiences as a softball coach have always complimented and strengthened my work performance through rapid situational assessment, strong decision making skills, teamwork toward a common cause, personal approachability and conflict resolution. I would utilize these strengths toward the betterment and continued improvement of the Telemark condominiums, capitalizing on the solid framework already in place and adapting to our future needs.

Fred Boetcher

Occupation: Facility planner AT&T. Retired July 2017

Education: BS-UW Stout - Management Technology

Experience: I have been a board member for 3 years and an owner for approx. 30 years.

Outside activities: Golf, XC skiing, Amateur radio.

I think I would be an asset to the Board of Directors

because: I have a substantial knowledge of Telemark and the Cable Area. I am will to serve at our owners discretion.

Proxy Voting Form • Telemark Interval Owners Association

Annual Business Meeting at the Cable Community Centre

1pm • October 21, 2017

An Owner of each Unit Week shall be entitled to one (1) vote. There shall be one person with respect to each Unit Week who shall be entitled to vote at any meeting. If more than one person owns a Unit Week, the owners of said Unit Week shall designate one of them as the Voting Member. All proxies shall be in writing and signed by the person entitled to vote. Where a Unit is owned jointly by a husband and wife, the proxy must be signed by both husband and wife where a third person is designated.

The undersigned Voting Member of the Telemark Interval Owners Association, Inc. hereby appoints the Board of Directors of Telemark Interval Owners Association, Inc., or, if not the Board of Directors, I assign _____ (name), as my proxy and authorized agent to cast my ballot(s) at the 2017 Annual Business Meeting.

Voting Member: _____ Date _____

Owner Signature: _____ Date _____

Owner Signature: _____
(must be signed by all parties on the contract)

I/We own Unit(s): _____ + _____ + _____ + _____ + _____ + _____ + _____

Address: _____

City, State, Zip _____

Email: _____

Telephone: _____

PLEASE NOTE: Per the TIOA bylaws, to be valid for the annual meeting election and other items that may come up for a vote, proxy forms must be postmarked by October 11, 2015 (10 days prior to the annual meeting) to: Telemark Interval Owners Association (TIOA), Attn: Proxy Vote, PO Box 609, Cable, WI 54821

THREE director's positions are up for election at the 2017 TIOA Annual Meeting. You can indicate your vote for UP TO THREE of the following candidates. Ballots with more than THREE candidates indicated will not be included in the vote tally:
