

## Extra Deposit Week Purchase Opportunity

As a result of conversations at the Annual Meeting regarding excess bulk banked RCI deposit weeks, the Board looked at unused April and November weeks with an eye to selling excess weeks on an annual basis to owners in good standing for deposit with our various exchange companies.

These weeks would *only be used for deposit* just like the bulk banked RCI weeks. Unlike the RCI weeks, these weeks would be available in November/December of the preceding year. Once purchased, they could be deposited with any affiliated exchange company and be good for as much as 2 years from their date.

104 **April** weeks will be available. 16 studio (C units) at \$100, 80 1-bedroom (A&B units) for \$150, and 8 2-bedroom (1600 building units) for \$200.

52 **November** weeks will be available. 8 studio (C units) at \$100, 40 1-bedroom (A&B units) for \$150, and 4 2-bedroom (1600 building units) for \$200.
